

Learn to Swim Term 1 - 2025

Commences: Monday 27 January 2025

General bookings open: Tuesday 10 December 2024

The focus of our programme is to provide children with a strong foundation of balance and body positioning in the water and then build on these skills. Learning to swim is a life skill and takes time.

Group Lessons (25 minutes)

Levels	Description	Children
1	Building confidence: This level introduces children to the water and builds confidence while working on their floating skills.	(4 children)
2	Body positioning: Children learn to float unassisted and focus on the basic building blocks to good swimming techniques.	(5 children)
3	Movement through the water: Children build on the basic skills they have learnt with the introduction of arms and become more aware of how their body moves.	(6 children)
4	Introduction to breathing: Children continue to work on their arm stroke and learn the basic breathing skills and water safety.	(6 children)
5	Breathing through the water: Children continue to work on breathing and arm strokes, while transitioning into the lane pool (taught in both learners and lane pool).	(6 children)
6	Breathing: Children start to breath bi-laterally and start putting their breast-stroke arms and legs together. This is taught in the 25m lane pool.	(6 children)
7	Putting it together: Children swim freestyle, backstroke and breast-stroke with good technique and butterfly kick is introduced.	(6 children)
8	Competent swimming: Children continue to work on technique for all strokes but also have some distance swims added.	(6 children)
